

Employee Management System

Name : Pradhip R R

Institute: Livewire-Namakkal

Project Description :

Developed a fully functional Employee Management System website using React , Bootstrap, Express and Mongo DB to provide the complete details of every employee. Implemented a user-friendly interface with responsive design.

Technologies Used:

- React + vite
- Bootstrap
- Node Js
- Express Js
- Mongo Db

Credentials:

Admin:

Email ID: admin@gmail.com

Password: [admin](#)

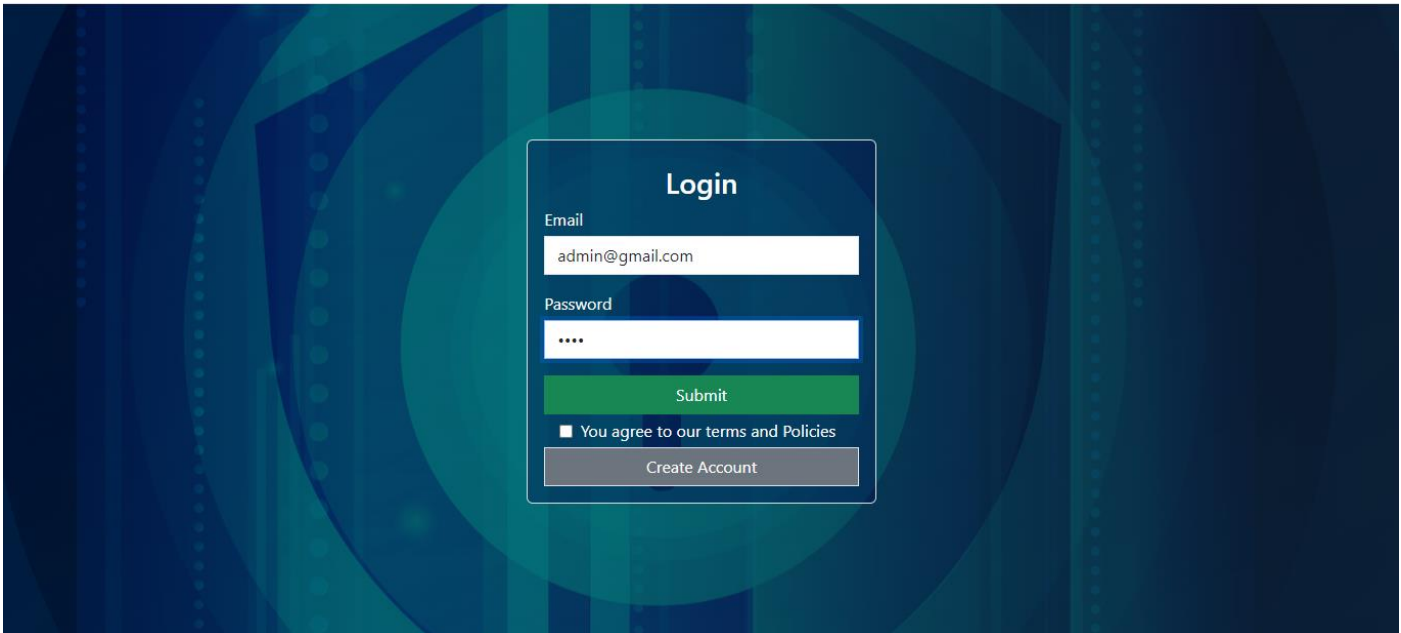

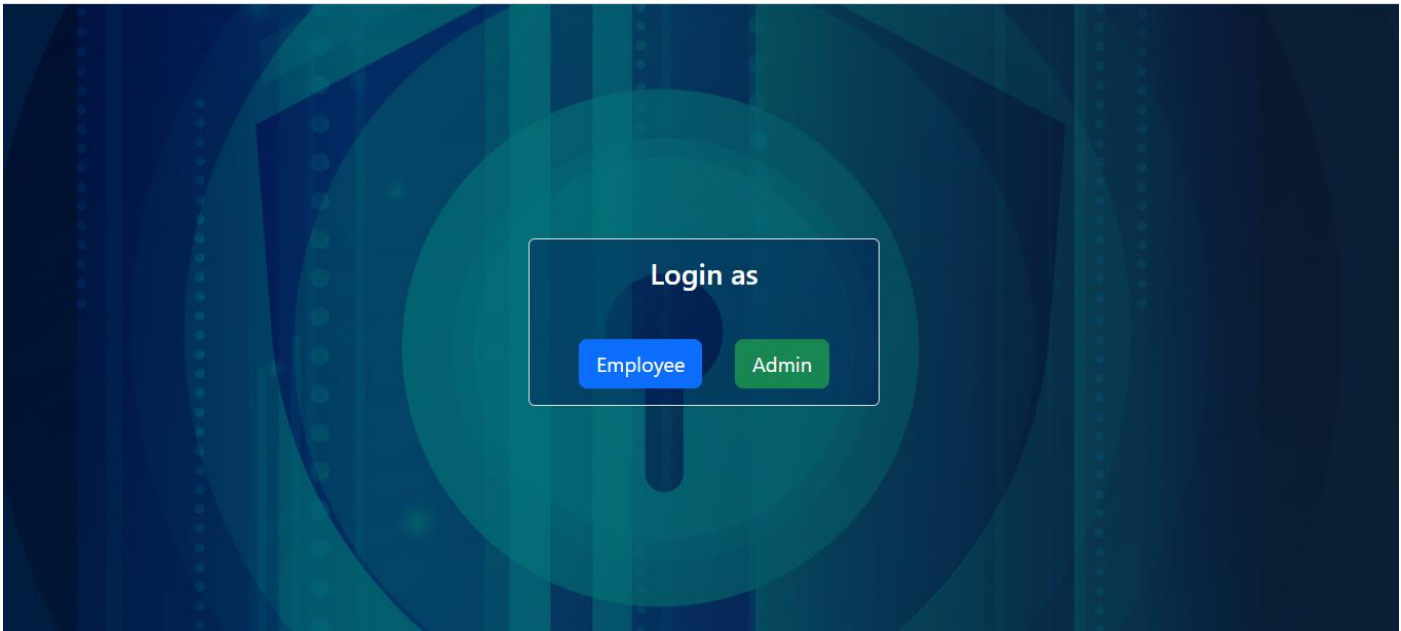

Employee

Email ID: pradhip@gmail.com

Password: [pradhip](#)

Output:

EMPLOYEE LOGIN

The login form is centered on a dark blue background with abstract circular patterns. It features a white title 'Login' at the top. Below it are two input fields: 'Email' with the value 'pradhip@gmail.com' and 'Password' with masked characters '....'. A green 'Submit' button is positioned below the password field. At the bottom of the form, there is a checkbox labeled 'You agree to our terms and Policies' and a grey 'Create Account' button.

The profile card is centered on a white background. It features a circular profile picture of a man with dark hair and a mustache, wearing a light blue and white checkered shirt. Below the photo, the name 'Pradhip' is displayed in bold, followed by the email 'pradhip@gmail.com' and the number '35000'. At the bottom, there are two buttons: a blue 'Edit' button and a red 'Logout' button.
